General Information

The Club waters include most of the river Nidd from Gouthwaite Basin to below Dacre Bridge, a total of about 9 miles of fishing for Brown Trout and Grayling. In addition, Scar House Reservoir above the village of Lofthouse is available for wild Brown Trout fishing.

Fishing methods are confined to Fly, Float and Leger on single barbless or de-barbed hooks only. Natural Minnow is allowed between 1st July and 30th September only. No double or treble hooks are allowed on any water.

There is a bag limit of 2 blue spotted fish per day which must exceed 12" in length from nose to fork of tail and which must be retained whole.

More information can be found on the Club's website at: www.nidderdaleac.co.uk
