

Nidderdale Angling Club Tenkara Open Day

Date: 19/10/2013

10:00 am - 4:00 pm

River Nidd, Glasshouses, just off the B6165 near Pateley Bridge.

Tenkara describes Japanese fly fishing with just rod, line and fly.

An open day for members and non-members to learn, share and network in an open and friendly atmosphere about the tenkara method and approach to fixed line flyfishing.

The day will provide an opportunity to gain familiarity with tenkara rods, level lines, tenkara flies, the cast, presentation, fly manipulations, and bringing a fish to hand.

Members and non-members can try their skills fishing for the good head of grayling that the River Nidd holds. Maps and clubs rules will be available on the day. Day tickets for non-members cost £8 a ticket.

Hosted by:

Mike Pittendreigh - General Secretary of NAC

Stephen Cheetham - Fishing With Style & TenkaraUk

Philip Sheridan - Tenkara Days

We're pleased to have Paul Gaskell and John Pearson:
(Discover Tenkara: discovertenkara.co.uk) the UK's first
Tenkara USA Certified Guides joining us.

For enquiries please use the contacts below.

We look forward to seeing you.

Please dress appropriately for the weather and conditions. Bring a packed lunch and a hot drink. Wading staffs are recommended. You can book time for instruction or guiding and order fly patterns on the day.
